DEAR FRIENDS OF NOUVEL

We continue to be inspired by our Nouvel graduates who cross the stage and embody the outcome and deliverables of a Catholic education; faith-filled, service-oriented, college-bound, enthusiastic young men and women ready to take on the world. These Panthers are difference makers. Nouvel Catholic Central is not just a school, but a place that offers a transformative experience.

The grace our school families extended to us was only matched only by their boundless generosity and their continued patience with COVID-related procedures. A huge thank you to our teachers and staff - these wonderful professionals showed up every day, managed an online learning platform, as well as in-person instruction, and truly made a challenging year appear seamless. Our schools provided in-person learning 94.8% of the school year with 75% attendance or better, for nearly 95% of the 2020-2021 school year. Helping shape future leaders, our resolute faculty and staff bind our school together and provide the vision of what life has to offer our students following graduation. It is all of you, the Nouvel Nation, who collectively sustain this mission.

Through deep analysis and strong conviction, the entire faculty and staff is working to provide a robust curriculum and strategic direction that ensures the Nouvel Family will be here for you 50 years from now. It is the time and work we invest in our students today which will, in return, give them confidence to be the leaders of tomorrow. Thank you for giving us the honor of educating your students and making the investment in Nouvel and ultimately, the students we serve.

Yours in Christ,

EARLY EDUCATION FOCUS

Growing from the bottom up is key for expanding enrollment. Our Catholic early childhood programs provide young learners a unique combination of academic and spiritual development that gives children the best start in life.

Our faith-filled environment focuses on the wonders of God in every person, learning how to make good choices, sharing, making new friends, growing in confidence in the gifts God gave us. Our preschool and Montessori programs are some of the strongest in the area. Retaining more students from early childhood into our Kindergarten program is a top priority for the new academic year. Please recommend young learners to Mrs. Kelly Breasbois, 989-399-2230, in support of our school program and mission to serve students.

CATHOLIC PARISH CONTRIBUTIONS

We are honored to partner with surrounding parishes as we spread the message of salvation through Christ and develop future generations of the Catholic community in Saginaw. Few Catholic schools were established with the intent of having tuition cover all expenses. Parish support, the generosity of friends and benefactors, along with fundraising has been and remains an essential component of our funding model. Catholic schools teach students by forming their whole being: body, mind, and soul so they may fulfill their God-given potential to become the people God is calling them to be and in so doing, serve their neighbors, contribute to their communities, and find joy in their lives.

Participating parishes contribute 25% of collections to Nouvel's Catholic Central's operating budget. Without this \$1.2 million investment from our parish community, tuition would increase more than \$2,500 per student. It is only through the generosity of our committed community that we will continue to grow and achieve our mission preparing students for success in the 21st century. This investment produces young men and women who will be catalysts for good wherever they live and whatever they choose to do. We thank you for being a partner in our mission.

THE PANTHER FUND

Operating a thriving Catholic school like Nouvel is expensive. Our needs exceed revenue from tuition and fees, especially when it is a priority to make a concerted effort to maintain modest tuition increases. The Panther Fund is the annual giving initiative of Nouvel Catholic Central. We are blessed to have a multi-generational philanthropic family, and our goal is to broaden this base of support. We depend on and are grateful for generous contributions which help to provide a unique educational experience for our students.

Panther Fund gifts will be directly invested to support the following school initiatives:
